

INTERNATIONAL CONFERENCE ON CHRONIC PATHOLOGIES

**7TH - 9TH SEPTEMBER 2018
ANTWERP BELGIUM**

Louis Teulières,
MD

Ronald Stram,
MD

Rudy Proes-
mans, MD

Lee Cowden,
MD

Laura Alonso,
MD

Tanja Mija-
tovic, PhD

Pol De Saedeleer,
R.Pharm

Wencel Top,
Med. Path.

Julia Piper, MD

Marjo Valonen,
MD

Philippe Ray-
mond, MD

Dhyam Amrito
Ortwin Zias, MD

Barbara De Rijdt,
R.Pharm

Armin Schwarz-
bach, MD

Bert Lefevre,
MD

Anwar Giryes,
MD

Debby Hamilton,
MD MPH

We are delighted to present to you the preliminary program of our upcoming International Conference on Chronic Pathologies. The conference will take place in Antwerp from Friday, September 7 until Sunday, September 9. Registration starts now, so go ahead and ensure your spot!

A new twist this year will be the additional day on Friday, dedicated to case studies and practical protocols. Some influential speakers who will lecture on Saturday and Sunday will also be invited on Friday to share their experience in protocols in the form of practical workshops. Check out our finalized Friday program below

Welcome speech will start at 9:15 a.m., the first lecture will take off at 9:30 a.m. After the lectures on Friday, at around 6:00 p.m., we would like to invite you to our opening reception for some refreshments. Participants to the Saturday and Sunday program only can gladly join the Friday reception. Partaking of our network dinner on Saturday evening is optional.

250EU

(register before 31/07, 350EU after)

Register online now!

Friday 7 September 2018

Practical Workshops

09.15	Introduction	
09.30		Julia Piper Systems Biology; Unpacking the complex pathways of Schizophrenia; and the role of chronic infection
10.15		Ronald Stram Integrative Applications in treating cancer patients and chronic infectious disease
	Q&A	
11.40	Break	
11.40	 	Wencel Top & Rudy Proesmans Important estrogen metabolites and their ratios to help clinicians with the clinical management of hormone related symptoms
	Q&A	
12.30	Lunch	
Section - Natural Medicine for multi-infectious pathology		
14.00		Marjo Valonen Natural medicine for borreliosis and co-infections
	Q&A	
15.30	Break	
16.00		Lee Cowden MultiSymptom, MultiMicrobe Inflammation and the Cowden Support Program (video conference)
	Q&A	
18.00	Reception	

Saturday 8 September 2018

Section - Environmental medicine and biotoxins

09.00

Dhyen Amrito Ortwin Zais

Environmental Medicine: Chronic pathology as a result of microwave frequency electromagnetic fields

09.30

Barbara De Rijdt

Chronic Inflammation Response Syndrome (CIRS)

10.15

Tanja Mijatovic

CIRS or no CIRS - what the tests can tell you

Q&A

11.00

Break

Section - Integrative approach in chronic pathology

11.30

Ronald Stram

The role of inflammation in treating cancer and chronic infectious disease:
Exploring the connection between the immune system response to antioxidants, anti-inflammatories and dietary intervention in chronic illness: Cancer and chronic infections

Q&A

13.00

Lunch

Section - Fatigue and exhaustion

14.15

Pol De Saedeleer

Monitoring the athlete to optimize health and performance and avoid overtraining as a result of excessive inflammation, oxidative stress, adrenal fatigue and gut hyperpermeability

15.00

Wencel Top

The HPA-test as an objective diagnostic marker for fatigue caused by functional imbalances

Q&A

16.00

Break

Section - Immune balance and hormonal balance

16.00

Bert Lefevre

The role of Testosterone in (male) health from a functional medicine perspective

17.15

Debby Hamilton

Balancing the immune system through modulation of T helper cells 1,2 & 17

18.00

END OF DAY 1

19.00

Dinner

Sunday 9 September 2018

Section - Intestinal disorders / contribution in chronic pathology

09.15

Pol De Saedeleer

SIBO and LPS-induced inflammation: documenting the gut-brain axis

10.00

Wencel Top

Novel laboratory diagnostic tools to assess gut imbalance and inflammation

Q&A

11.00

Break

Section - Immune response and cancer

11.40

12.15

Anwar Giryes & Armin Schwarzbach

The role of the immune response in cancer, chronic and neurological disease

Q&A

13.00

Lunch

Section - Neuroinflammation

14.00

Laura Alonso

ADHD (Attention Deficit Hyperactivity Disorder); mixed bag of different etiologies triggering neuroinflammation

Philippe Raymond

Chronic complex infections in Autism; clinical cases

Louis Teulière

Neuro inflammatory and immunological patterns in chronic infections

Q&A

17.00

End of Conference
